

Dear Guest,

We look forward to welcoming you onboard Vision.of.the.Seas tomorrow!

Before we begin our adventure together, we have an important update to share with you. We've been closely monitoring the development of several weather systems along the path of our originally planned itinerary. Due to unfavorable weather conditions and high winds, we must change our itinerary to ensure a safe and comfortable experience. After exploring all our options, we've made the difficult decision to replace our Canada and New England itinerary with a Caribbean itinerary. Boarding will still occur on Thursday, with a delay in embarkation and we are currently scheduled to depart on Friday, September 25 at approximately 3:00 PM, once it is safe to do so.

While this is not the original itinerary we planned to explore together, we're looking forward to visiting these new ports with you. Whatever you decide to do, we're sure you'll have an amazing time!

Please see our updated itinerary and some details about our sailing below.

Boarding

Due to anticipated delays in the debarkation process for our previous Vision.of.the.Seas sailing, the terminal will not be open until **4:30 PM**. We know you’re eager to board and we’re just as thrilled to welcome you! Sticking to your new window means less waiting and a smooth start to your cruise vacation!

Please note that **the parking lot will be closed** and incoming guests will not be able to park until our current guests have departed. **Guests who arrive early will be turned away, potentially in uncomfortable weather** and asked to return at their scheduled time. We kindly ask that you **arrive according to the new, adjusted arrival windows below:**

Original Arrival Time	New Arrival Time
11:00 AM	4:30 PM
11:30 AM	5:00 PM
12:00 PM	5:30 PM
12:30 PM	6:00 PM
1:00 PM & 1:30 PM	6:30 PM

If you have not completed check-in, please arrive at 6:30 PM. All guests must be checked in and onboard by 7:00 PM. **So, plan on arriving no later than 6:30 PM.** Please note that after boarding, you’ll need to remain onboard for the duration of our stay in Baltimore, as going ashore will not be permissible per the CBP.

Your New Ports

- Known as the “Theme Park Capital of the World”, Orlando is one of the most visited family destinations. From Walt Disney World, Universal Studios Orlando Resort, to Sea World, there are so many ways to choose your adventure. For a more laid-back experience, head to one of the many museums or get a taste of the sunshine state in Central Florida’s great outdoors!
- In Nassau, lounge like a local at Junkanoo Beach and sip on tasty Bahama Mamas under clear skies. Get a more hands-on maritime adventure by taking a short boat ride to Pearl Island and spend the day kayaking, paddleboarding, or playing on inflatable water obstacles. Make your way to Royal Beach Club Paradise Island to zen out at Paradise Beach or turn up at Party Cove.
- In Grand Bahama Island, hike Rand Nature Center’s forest-lined trails and discover cascading waterfalls at the Garden of the Groves. Or, if relaxing is more your style, sip on a fruity Bahama Mama while enjoying the views of the crystal-clear waters from one of the postcard-perfect beaches this island has to offer.

What to Pack

While this change may come as a surprise, it may also be the perfect opportunity to trade those extra layers for swimsuits, trunks, sunglasses, and sunscreen. With warm, comfortable weather currently forecast in port, pack light, breathable clothing and a comfortable pair of sneakers so you're ready for both relaxation and adventure ashore.

Shore Excursions

Any pre-paid Royal Caribbean shore excursions impacted by this change will be automatically canceled and refunded to your SeaPass account as an Onboard Credit. These credits can be used anywhere onboard, and any remaining, refundable amounts at the end of your sailing will be refunded to your card on file within 14 business days from final disembarkation. Feel free to visit our Shore Excursions desk once onboard so our destination experts can help you plan your time in our new ports of call.

We understand this is a significant change from the vacation you originally planned, and we’re sorry for the disruption. We hope the unforeseen circumstances won't stand in the way of the well-deserved vacation you've been looking forward to. We look forward to welcoming you at the pier!
